Reception’s visit to Ash End House Children’s Farm

On Tuesday 21st March 110 children and 23 members of staff had a wonderful, sunny day out at the farm. All of the children were able to feed the goats and sheep and stroke the chicks, rabbits and guinea pigs. The farm staff were fantastic and very complimentary about our well behaved children. They were a credit to you all and enjoyed every minute of the trip!

Mornings of Music

Last week was the turn of Year 1 and this week year 5, to welcome other schools into Frederick Bird so we could share music together. I am delighted to tell you how much positive feedback we had from the other schools about OUR lovely school! Aside from that the children behaved very well and thoroughly enjoyed this important curriculum event. Thank you to the staff for making it happen.

Maths Magic

Last week our children enjoyed a maths show from the Quantum Theatre team. They bring maths to life and give our children some different and exciting ways of learning maths.

Carmina Burana

On Tuesday 14th March our choir went to the Warwick Arts Centre to take part in a fantastic production of Carmina Burana. The children were amazing and I know that they will always remember this remarkable experience. Thanks to the staff for taking them and getting them ready to perform as it is a challenging piece of music—well worth a listen!

What a busy school! We try very hard to offer our children lots of wide and varied experiences so that school is full of learning.

Notices

Can I please remind everyone that we require children to wear school uniform—this includes BLACK SHOES. By doing this we tell children that standards are important.

PLEASE KEEP AN EYE ON THE WEBSITE FOR UP AND COMING EVENTS.

Head boy and girl blog – school news

In Thursday’s assembly last week some year 6 children performed a play. It was about topical news. We would like to thank all of the people who took part.

A girls football team is being created by Mr Henson because the girls really wanted to have their own team—so watch
