|--|--|---|
| <p><u>English</u></p> <p>The children will be ensuring they can write a detailed and interesting story by focusing on Odysseus and other Ancient Greek myths. They will focus on skills such as including all 3 sentence types into writing and apply fronted adverbial phrases.</p> | <p><u>Maths</u></p> <p>Place value and the four operations is our focus for this term. The children will be partitioning, comparing and ordering numbers as well as looking at negative numbers. Written methods for the four operations also feature heavily.</p> | <p><u>Science</u></p> <p>We will be looking at animals including humans within lessons. The children will describe changes to humans as we age and also focus on animal classification groups. The children will present data using bar and line graphs.</p> |
| <p><u>History</u></p> <p>To support our Myths and Legends topic, we will be focusing on Ancient Greece in our history lessons. The children will locate Greece on maps and identify how land was used and how this influenced life years ago.</p> | <p><u>Music</u></p> <p>For this half term, 'Livin' On A Prayer' will be our Charanga topic. Performing from memory with confidence, singing expressively and performing solos will be our focus.</p> | <p><u>Computing</u></p> <p>Our key topics to focus on in autumn 1 are 'self-image and identify', 'photography and digital art' and 'data handling'. Our children will focus on how the media can shape ideas about gender, edit pictures to remove items and write spreadsheet formula.</p> |
| <p><u>PE</u></p> <p>Our focus for autumn 1 is basketball. Children will partake in weekly sessions where skills and rules will be taught. All children will then apply these skills and rules to match scenarios.</p> | <p><u>Art and Design</u></p> <p>Our focus artist of the half term is Albrecht Durer. In lessons, year 5 will copy Durer's level of detail when drawing and painting hands. The children will learn how to comment on artwork with a fluent grasp of visual language.</p> | <p><u>Design and Technology</u></p> <p>Year 5 will create circuits using electronic kits that employ a number of components as part of a weekly project. The children will design and create a final piece of work to showcase their skills.</p> |
| <p><u>MFL</u></p> <p>Children will continue to learn Spanish on a weekly basis. In this half term, the children will focus on which countries speak Spanish and how to correctly pronounce the key phonic sounds in the Spanish language.</p> | <p><u>PSHE</u></p> <p>The children will explore many topics whilst focusing on the 'Being Me In My World' section of our Jigsaw scheme of work. Positivity and future ambitions are two of our focus sessions.</p> | <p><u>RE</u></p> <p>'Why do some people believe God exists?' is our focus for this half term. The children will explore different Gods for a variety of religions and how many people believe in God.</p> |
