School News Blog

This week, the whole school have been participating in Sports Day. There was a range of activities to do such as: Relays, sprints, egg races and obstacle courses. There was a final at the end for various children across the year groups. In literacy, we wrote stories based on the story 'Kensuke's Kingdom' by Michael Morpurgo. In maths, we have been practicing the skill of ratio.

Year 6 - Art Project

On 13th May, Year 6 children were privileged to work with Carrie Reichardt, mosaic artist, in an art workshop, celebrating Coventry as the City of Culture. The children had a great time being creative and listening to ska music all morning. They designed mosaic stars which are now displayed in Pool Meadow. Our children saw the final display yesterday. CWR were there to capture some of their initial responses.

Year 4 - Meadow Area

Congratulations to Year 4 on their meadow area! They had set out to plant a wild flower garden, but lots of them have not bloomed yet. However, we have some wonderful displays of daisies, buttercups, dandelions, and grasses.

Well done Year 4
- The bees are very happy!

Moving Up Afternoon

We will be holding our Moving up Afternoon on Wednesday 7th July as part of our transition arrangements. You will receive a letter before this with information about your child's new teacher for September. There will be videos shortly available on our website giving you a virtual opportunity to meet the teachers in each year group for the next academic year.

Appointments

Make sure non-urgent medical and dental appointments are made out of school time. If the appointment is during school time, not only will this disrupt their learning but may also affect their attendance. If your child has an appointment during school time, ensure you inform the office or the pastoral team. It is important that we know if your child has an appointment in advance. Also, if you have any letters or appointment cards, we need to see those as evidence of your child's appointment.

Sports Day

A big thank you and well done to everybody who took part in this sports day this year! In every year group, the children demonstrated great sportsmanship throughout the week. We have been proud of their resilience and teamwork. All of the days were a big success with children participating in races such as the egg and spoon, sprint, obstacle course and relay. Photos and videos of the days will be on the website next week.
