Message from Mr Tuffin

Another week finished and what a strange one it has been for me. I have been off since Monday but have heard all about the great work your children are doing this week. These are difficult times and I thank you all for your patience and understanding as we try our hardest to keep the school running and open.

I will be back at some point next week, I have missed the smiling faces of our wonderful children.

School Crossing Patrol

Please be aware that next week there will be no school crossing patrol.

Please be extra vigilant.

Missing Medal

A medal has been found on the school playground which may have sentimental value to someone.

If you believe this to be yours, please come and speak to a member of the school office.

Respect our Staff

A polite reminder to our parents and carers that we are working under different circumstances than we are used to.

We have protocols in place for your safety and our safety.

Please be patient, kind and respect our staff

Reading Bingo

We are delighted to announce that the new reading bingo is now available for everyone!

The aim is for pupils to read all of the books on the list and in doing so, children will receive a small prize.

Dol-y-Moch

Payments for Dol-y-Moch will need to be in by 1st March.

This can be done through ParentPay or by collecting a letter from the office and paying at a PayPoint.

Please be reminded we do not accept cash.

Thank you very much.

**Date for
your
Diary**

Half Term

Children will break up for half term on Friday 18th February and will return to school Monday 28th February.

READING

corner

This week we are introducing a new Reading Challenge for Years 5 and 6. Mr Spencer and Mrs Porter have selected some great books - across a combination of genres, mixing new books with some absolute classics - for each year.

Your challenge is now to read as many of these books as you can before the end of the year!

They can be found on display in the KS2 library.

Happy reading, and good luck with the challenge!

Overdue Library Books

We have had a great week this week with children returning their library books to school.

A big cheer and well done for 4 Kingfishers for returning 20 books and 2 Owls for returning 18!!
How amazing - Thank you!

Please keep them coming!! And don't forget to take a look at what new books have arrived in the school library!

Storytelling

This week, please look out for the third video in our series of story-telling videos in different languages, on Class Dojo.

This week, our story teller reads a book called "Manzul (The Foal)" in Romanian.

If you can, share stories with your child in any language. Story telling helps your child by hearing new ideas and vocabulary.

Good stories spark children's imagination and encourages a love of reading.

A good place to start is by sharing the books that come home with your child!
